1420 80<sup>th</sup> St. SW, Suite B  
Everett, WA 98203

Text of the side panel: Scientific research has revealed the outstanding benefits of phosphatidylcholine (PC) as a nutritional supplement. This versatile phospholipid is now recognized for its advantages to liver function as well as a nutrient essential to brain function. PC may also maintain healthy cholesterol levels and has been used to enhance memory and concentration. PC is a superb daily addition to the diet of anyone seeking safe nutritional support for healthy liver function.

Text on PDP: Supports healthy liver function

Name of dietary ingredient that is the subject of statement: Phosphatidylcholine

Name of the dietary supplement: Natural Factors

I represent the information presented to be accurate and in compliance with supplement label regulations.

  
John Morley, Secretary
