Please be advised that Jarrow Formulas, Inc. is marketing a product containing a "Structure and Function" statement on the label. According to the notification requirements set forth by the DSHEA (Dietary Supplement Health and Education Act, 1994) legislation, please be advised of the following:

Name of Product: Quercetin 500™, 200 capsules

Active Ingredient(s): Quercetin

Claim(s): "A Bioflavonoid Antioxidant." Quercetin is a flavonol, a subclass of flavonoids, and is a potent antioxidant. Quercetin is one half of the rutin molecule, another flavonol. Quercetin is a more active antioxidant than is rutin.

The following disclaimer appears on the label: These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure or prevent any disease.

These claims are limited to, and a result of, what we believe to be a substantial body of scientific evidence supporting the functional role of these nutrients. A compendium of relative published research substantiating the above statement(s) is on file at the corporate office.

Respectfully submitted,

Siddharth S. Shastri, B.A., C.C.N.
Director of Product Development

975 - 0162

60147
LET 1934

Usage: As a dietary supplement, take one or more capsules per day with meals, or as directed by your qualified health consultant.

Quercetin is a flavonol, a subclass of flavonoids, and is a **potent antioxidant**. Quercetin is one half of the rutin molecule, another flavonol. Quercetin is a more active antioxidant than is rutin.

These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure or prevent any diseases.
