1420 80th St. SW, Suite B
Everett, WA 98203

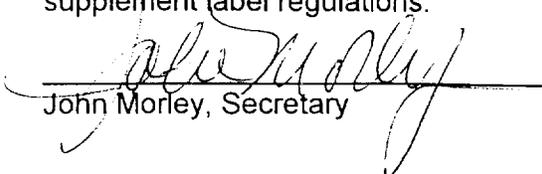

Text of the side panel: Natural Factors Ultra Prim Evening Primrose Oil is a natural source of Omega-6 fatty acids with guaranteed levels of Gamma Linolenic Acid (GLA). These essential fatty acids are needed to form important prostaglandins that maintain & regulate vital body functions. Evening Primrose Oil is also used to enhance women's well-being. Ultra Prim is the purest, stabilized form of EPO. Cold-pressed and ultra-filtered to remove organic matter that contribute to rancidity, ensuring a more stable product without preservatives. Vitamin E is added to enhance long term freshness.

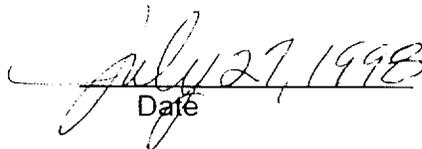

Text on PDP: Excellent source of GLA

Name of dietary ingredient that is the subject of statement:

Name of the dietary supplement: Natural Factors

I represent the information presented to be accurate and in compliance with supplement label regulations.

John Morley, Secretary
