As per section 6 of the Dietary Supplement Health and Education Act of 1994, I respectfully submit the following information:

The Daily Wellness Company
350 East Middlefield Road
Mountain View, CA 94043

Product and claims to be filed:

ArginMax – dietary supplement for male sexual fitness

A premium performance formula of L-Arginine, Ginseng, Ginkgo, antioxidants, B vitamins and minerals to support male sexual function.

L-ARGININE is an important amino acid and is the building block of nitric oxide, which plays a major role in sexual function and erection.

GINSENG, an herb used for thousands of years, promotes energy, stamina, and endurance and supports erectile function.

GINKGO is the world's oldest living plant and is known as the "elixir of youth". Its extract supports blood circulation and mental focus.

VITAMINS A, C and E have major roles as antioxidants, and are involved in reproductive processes. B-VITAMINS are important to the activity of hundreds of enzymes, and in energy metabolism. SELENIUM supports antioxidant and immune defenses, and is involved in reproductive function. ZINC is important for cell growth, immune function, fertility and reproduction.

I hereby certify that the information contained in the above notice is complete and accurate, and that The Daily Wellness Company has substantiation that these statements are truthful and not misleading.

Sincerely,

Kevin Callaghan
Chief Operating Officer
