Re: Notification of DSHEA nutritional support claim for AmeriFIT Ultra CoQ-10 Dietary Supplement

Dear Sir or Madam:

The purpose of this letter is to provide notification pursuant to section 403 (r)(6) of the Federal Food, Drug, and Cosmetic Act ("the Act") and 7 C.F.R. § 101.93 that AmeriFIT, Inc., is marketing a dietary supplement that bears a statement of nutritional support as defined in section 403 (r)(6) of the Act.

The labeling for AmeriFIT's Ultra CoQ-10 bears the following statement(s):

"CoEnzyme Q-10 is part of the system across which electrons flow in the mitochondria of cells in the process of energy production"

AmeriFIT, Inc. has on file substantiation that the above statements are truthful and not misleading. To the best of my knowledge, the information contained in this notice is complete and accurate.

Sincerely,

Craig Larsen
Director of Product Development and Quality Assurance
