Re: Statements of Nutritional Support  
Section 403(r)(6) Notification

Ladies and Gentlemen:

In accordance with the requirements of Section 403(r)(6) of the Federal Food, Drug and Cosmetic Act, Action Labs, Inc., having the address of 1400 Kearns Boulevard, Park City, Utah 84060, notifies the FDA that it has commenced the marketing of the following dietary supplement with the following statements of nutritional support:

<u>Product</u>	<u>Relevant Dietary Ingredients</u>	<u>Statements of Nutritional Support</u>
Super 5-HTP Plus Kava Kava	Griffonia (containing natural 5-HTP), and Kava Kava	L-5 Hydroxytryptophan (5-HTP) is a precursor to serotonin, which may have a relationship with mood and appetite. Kava Kava is an herb from the South Pacific. These ingredients are intended to work synergistically to support feelings of calmness during periods of stress and anxiety.

I certify that the foregoing is complete and accurate, and that Action Labs, Inc. has substantiation that the statements are truthful and not misleading.

Very truly yours,

ACTION LABS, INC
