Center for Food Safety and Applied Nutrition  
Food and Drug Administration  
200 C. Street S.W.  
Washington, DC 20204

Dear Sir/Madam:

This is a notification pursuant to 21 U.S.C. 343(r)(6) that Standard Process Inc., Palmyra, Wisconsin 53156-0904, is making the following statements:

- (1) Spanish black radish can help protect against free radicals. These substances stimulate the body and help protect it against free radicals -- the highly unstable oxygen molecules that damage cell matter, including DNA. \*
- (2) Spanish black radish can help stimulate body's own system for neutralizing harmful substances.\*

These statements are made for a dietary supplement containing vacuum dried Spanish black radish (organically grown), honey, ascorbic acid, and calcium stearate. The name of the product is Spanish Black Radish™.

The information contained herein is accurate and Standard Process Inc. has substantiation that the statements are truthful and not misleading.

Sincerely yours,

Ann Holden  
Standard Process Inc.
