Ginkgo Biloba Extract

Description:

Ginkgo biloba, also known as Maidenhair tree, has been used for thousands of years by Chinese herbalists. The leaves and seeds were first used to support the lungs and muscular system. It is used in the West for its vasodilating properties to support healthy blood circulation to all parts of the body. Ginkgo also supports a healthy nervous system and the memory.

These statements have not been evaluated by the Food and Drug Administration (FDA). This product is not intended to diagnose, treat, cure or prevent any disease.

Directions For Use: Take 1 capsule per day.

Storage: Keep tightly closed in a cool, dry place.

Caution/Warning: As with any supplement, herb or medication, do not use it while pregnant or lactating, or provide it to a child without consulting a physician. Consult a physician before you take ginkgo if you are on any medications. Ginkgo may cause irritability, restlessness, diarrhea, nausea and vomiting.

Note: This product is regulated by the FDA as a dietary supplement. If you have any questions about how you feel while taking this supplement, contact your physician. If you are taking any medication, have any disease or illness, consult your physician before taking this product. Do not stop or change prescribed medication without the permission or prescription of your physician.
