Center for Food Safety and Applied Nutrition
Food and Drug Administration
200 C Street, SW
Washington, D.C. 20204

Dear Dr. Yetley:

Pursuant to Section 403(r) (6) of the Dietary Supplement Health and Education Act of 1994, 21 CFR 101.93, and 63 FR 23633, Thompson Medical Company, Inc., 777 South Flagler Drive West, Suite 1500, West Palm Beach, Florida 33401, wishes to notify the Food and Drug Administration that it has commenced marketing a dietary supplement product, within the past 30 days, which bears statements of nutritional support.

The dietary supplement product will be distributed under the trade name Nature's Reward CalciComplex and will make the following statements of nutritional support:

- Helps Maintain Strong And Healthy Bones;
- Eight Vitamins and Minerals Plus A Unique Herbal Blend To Help Maintain Healthy Bones;
- **Calcium** – helps maintain strong and healthy bones;
- **Vitamin D and Boron** – help increase the absorption of calcium;

97S - 0162

LET 2935

- **Magnesium And Phosphorous** – help maintain strong and healthy bones; and
- **Folic Acid** – helps support a healthy heart;

Please be advised that these statements are based on a large body of data, which, in our judgment, renders these statements substantiated, complete, accurate, truthful and not misleading. This product does not present a significant or unreasonable risk of illness or injury under the conditions of use recommended or suggested in the labeling. In addition, they are accompanied by the required disclaimer (*These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure or prevent any disease*) which is prominently displayed on the package in bold-faced type.

A copy of the label is annexed for your review.

Should you have any questions please feel free to contact me.

Sincerely,

A handwritten signature in black ink that reads "Barbara E. Waitman". The signature is written in a cursive style with a large, stylized initial "B".
