Dear Sirs:

Notice is hereby given pursuant to the requirements of Section 403(r)(6) (21 U.S.C. § 343(r)(6)) of the Federal Food, Drug, and Cosmetic Act and in accordance with the requirements of 21 CFR § 101.93, that Rexall Sundown, Inc. located at 6111 Broken Sound Parkway, N.W., Boca Raton, Florida 33487 has marketed a dietary supplement within the last thirty days under the Sundown Herbals brand name bearing the following statement(s) on the label and/or in the labeling:

Ginger Root: For digestive well-being. Ginger has been used in Chinese medicine since the fourth century BC for its stomach-soothing benefits. Today, many people find that Ginger's soothing properties help them maintain a calm stomach while traveling. To further promote healthy digestive function, take this product with Sundown Licorice or Sundown Cayenne. Licorice provides soothing benefits for the stomach and digestive tract, and is particularly helpful in promoting healthy digestive function. Cayenne stimulates and enhances many bodily functions, including digestion and circulation. Ginger root is considered one of the most versatile herbal items and has been cultivated for centuries for its culinary and health benefits. It has traditionally been used to calm the stomach and stabilize digestion.

The undersigned certifies that the information contained in this notice is complete and accurate and that Rexall Sundown, Inc. has substantiation that the statement is truthful and not misleading. Pursuant to § 101.93 (a)(1), two copies of this notification are enclosed.

Sincerely,

Deborah Shur Trinker
Vice President of Regulatory Affairs
and Assistant General Counsel
