Dear Sirs:

Notice is hereby given pursuant to the requirements of Section 403(r)(6) (21 U.S.C. § 343(r)(6)) of the Federal Food, Drug, and Cosmetic Act and in accordance with the requirements of 21 CFR § 101.93, that Rexall Sundown, Inc. located at 6111 Broken Sound Parkway, N.W., Boca Raton, Florida 33487 has marketed a dietary supplement within the last thirty days under the Sundown Herbals brand name bearing the following statement(s) on the label and/or in the labeling:

Borage Oil: For healthy skin and nails. Borage Oil contains two important fatty acids needed by every cell: linoleic acid and gamma-linolenic acid (GLA). GLA is necessary for cellular metabolism and normal energy as well as healthy skin and nails. To further support healthy energy and healthy skin and nails, take this product with Sundown Ginseng and Sundown Gotu Kola. Ginseng has the unique ability to vitalize, strengthen and rejuvenate the entire body. Gotu Kola contains glycosides, which aid in cell repair, and are known to promote healthy skin and connective tissue. Borage Oil is a rich source of linoleic acid and gamma-linolenic acid (GLA), both of which are important fatty acids that cannot be made by the body and are necessary for health.

The undersigned certifies that the information contained in this notice is complete and accurate and that Rexall Sundown, Inc. has substantiation that the statement is truthful and not misleading. Pursuant to § 101.93 (a)(1), two copies of this notification are enclosed.

Sincerely,

Deborah Shur Trinker
Vice President of Regulatory Affairs
and Assistant General Counsel
