Dear Dr. Yetley:

We are offering for sale the following product Optio Coenzyme Q₁₀, with the following Structure/Function claim: Supports Cardiovascular Health and Promotes Energy. The supporting side panel story is: Our Coenzyme Q₁₀ is a superior soft gelatin formulation. Made only with CoQsol™ coenzyme Q₁₀. CoQsol™ is clinically proven to have superior absorption to dry, powder coenzyme Q₁₀ formulas. Coenzyme Q₁₀ helps maintain heart health while promoting cellular energy production.

The FDA disclaimer will also appear on the label.

Sincerely,

Katie Ferren
Marketing Director
