

CURRICULUM VITAE

JULIA V. JOHNSON, M.D.

OFFICE ADDRESS: Division of Reproductive Endocrinology and Infertility
Department of Obstetrics and Gynecology
Fletcher Allen Health Care
111 Colchester Ave., Smith 402
Burlington, Vermont 05401

OFFICE PHONE: (802) 847-3450

FAX: (802) 847-9243

EMAIL ADDRESS: Julia.Johnson@vtmednet.org

EDUCATION: University of California, Davis
B.S. (Nutrition), 1972-1976
Emory University
M.S. Program (Nutrition), 1976-77
Medical College of Georgia
M.D., 1980-1984

ACADEMIC APPOINTMENTS:

VICE-CHAIR OF GYNECOLOGY, Department of Obstetrics and Gynecology, University of Vermont College of Medicine, Burlington, Vermont, 2002 - present

PROFESSOR, Department of Obstetrics and Gynecology, University of Vermont College of Medicine, Burlington, Vermont, 2002 - present

ASSOCIATE PROFESSOR, Department of Obstetrics and Gynecology, University of Vermont College of Medicine, Burlington, Vermont, 1996 - 2002

ASSISTANT PROFESSOR, Department of Obstetrics and Gynecology, University of Vermont College of Medicine, Burlington, Vermont, 1990 - 1996

DIVISION DIRECTOR, Division of Reproductive Endocrinology and Infertility, Department of Obstetrics and Gynecology, University of Vermont College of Medicine, Burlington, Vermont, 1998 - present

FELLOWSHIP DIRECTOR, Division of Reproductive Endocrinology, Department of Obstetrics and Gynecology, University of Vermont College of Medicine, Burlington, Vermont, 1998 - 2000

RESIDENCY PROGRAM DIRECTOR/ ASSOCIATE PROGRAM DIRECTOR, Department of Obstetrics and Gynecology, University of Vermont College of Medicine, Burlington, Vermont, 1993 - 1998

MEDICAL DIRECTOR, *In vitro* Fertilization Program, Department of Obstetrics and Gynecology, University of Vermont College of Medicine, Burlington, Vermont, 1990 - 1994

HOSPITAL APPOINTMENTS:

ATTENDING PHYSICIAN Fletcher Allen Health Care, Burlington, Vermont, 1990- Present

FELLOWSHIP, Reproductive Endocrinology and Infertility, Department of Obstetrics and Gynecology, University of Texas Health Science Center at San Antonio, San Antonio, Texas, 1988 - 1990

RESIDENCY, Obstetrics & Gynecology, Medical College of Georgia, 1985 - 1988

INTERNSHIP, Obstetrics & Gynecology, University of Oklahoma, Oklahoma City, OK, 1984 - 1985

SOCIETY MEMBERSHIPS:

American Society for Reproductive Medicine, Active Member

American College of Obstetricians and Gynecologists, Fellow

American Medical Association

American Medical Women's Association

New England Fertility Society

Society of Reproductive Endocrinologists

M.D. LICENSURE:

State of Vermont _____ 1990 - present

State of New York _____ 2004 - present

BOARD CERTIFICATIONS:

Fellow, American College of Obstetrics and Gynecology, December 1992

American Board of Obstetrics and Gynecology, Written Examination, June 1988, Oral Examination, December 1991. Recertified yearly 2001 - 2005.

Reproductive Endocrinology and Infertility, American Board of Obstetrics and Gynecology, Written Examination, June 1991, Oral Examination, December 1992. Recertified yearly 2001 - 2005.

RESEARCH SUPPORT:

Biomedical Research Support Grant 9/91-9/92
"Oncogene and Growth Factor Expression During Endometrial Development"

_____ 2/92-6/93
"Evaluation of the Safety and Effectiveness of _____ in Surgery"

10/94-7/97
"A double-blind, randomized, parallel-group, multicenter, dose finding study comparing the efficacy and safety of _____, in combination with _____ with that of _____ in postmenopausal women"

NIH PHS U76 PE002601 (M. Reardon) 9/1/96-8/31/99
HERSA, Bureau of Health Professions
"Area Health Education Center Proposal, University of Vermont College of Medicine"
The goal of this project is to provide rural Vermonters with better comprehensive healthcare by placing medical students in medical disciplines throughout Vermont to encourage them to establish a practice in these areas.

American College of Obstetricians and Gynecologists/ 7/1/98-6/30/01
"The Effect of Hormone Replacement on Cardiovascular Hemodynamics and Blood Volume in Postmenopausal Women with Coronary Artery Disease"

9/97-6/00
"A double blind, randomized, placebo- and historical-controlled study of the safety and efficacy of _____ for postmenopausal hormone replacement."

2/01-6/03
"Phase III study of _____ on women of childbearing potential in the Americas."

Research Initiative 10/1/02-9/30/03
"T-levels and Sexual Function: Natural Traverse/Menopause"
Co-Investigator. Primary Investigator: _____ Ph.D.

NIH R01 HL63101 7/1/99-6/30/04
"Uterine Vascular Response to Steroid Signaling"
Co-Investigator. Primary Investigator: Ira Bernstein, M.D.

Research Initiative 10/1/03- 9/30/05
"Coagulation Factors on Oral and Transdermal Contraceptives"
Investigator. Co-Investigator: _____ M.D.

NIH RO1 AG021476-01 7/01/03 - 6/30/08
"Estrogen Effects on Cholinergic Function in Older Women".
Co-Investigator. Primary Investigator: Paul Newhouse, M.D.

5/03-present
Phase III trial of continuous oral contraceptives

UVM Funded Research 7/03-present
Coagulation factors for oral and nonoral contraceptives

2/05-present

Phase III trial of _____ hormone therapy

PUBLIC SERVICE:

Committees, University

_____, Chair, University of Vermont, 2005 - present.

Continued Education Committee, University of Vermont, 2003 - present.

Executive Leadership Committee, Department of OB/GYN, University of Vermont, 2001- present.

Women's Liaison Officer, American Association of Medical Colleges, University of Vermont College of Medicine, 1999 - present.

Faculty Advisor, Student Branch of American Medical Women's Association, University of Vermont, 1999 - present.

College of Medicine Nominating Committee, University of Vermont, 2000 - 2004.

Quality Assurance Committee, Department of OB/GYN, University of Vermont, 1991 to present.

_____, University of Vermont, 1994 to 1998. Co-Chair,
_____, 1996 to 1998.

**APPEARS THIS WAY
ON ORIGINAL**

Committees/Activities, National

Board Examiner, American Board of Obstetrics and Gynecology, 2001 - present.

Continuing Medical Education Committee, American Society of Reproductive Medicine, 1999 - present.
Chair, 2002 - present.

Practice Committee, American Society of Reproductive Medicine, 2001 - present.

Gynecologic Practice Committee, American College of Obstetrics and Gynecology, 2000- 2005.

Editor/Reviewer, Fertility and Sterility, 1992 - present.

Editor/Reviewer, Obstetrics and Gynecology, 1998 - present.

Editor/Reviewer, American Journal of Obstetrics and Gynecology, 2002 to present.

Executive Committee, New England Fertility Society, Member-at-Large, 1993 - 2000.

Patient Education Committee, American Society of Reproductive Medicine, 1993 - 1997.

Women's Council, American Society of Reproductive Medicine, Member-at-Large, 1995-1998.

Laboratory Inspector In Vitro Fertilization, College of American Pathologist, 1992 - 1995.

Advanced Surgical Techniques Training Course, Council on Residency Education in Obstetrics and Gynecology, Instructor, 1993 -1995.

PRESENTATIONS:

"Laparoscopic Treatment of PID and Adhesions": An Endoscopic Approach to the Treatment of Abnormal Uterine Bleeding and Pelvic Pain, Postgraduate Course, University of Vermont College of Medicine, October 1992.

"Pros and Cons of Hormone Replacement Therapy": Physician Assistant Academy of Vermont Winter Conference, Stowe, Vermont, January 1993.

- "Use of GnRH Agonist": Panel discussion, Newton, Massachusetts, May 1993. "Ectopic Pregnancy", "Laser and Electrosurgery Physics": CREOG Endoscopy Workshop, United States Surgical Corporation, Norwalk, Connecticut, May 1993.
- "Update on Management of Ectopic Pregnancies": University of Vermont Annual Postgraduate Course in Obstetrics and Gynecology, Stowe, Vermont, September 1993.
- "Operative Hysteroscopy: Equipment and Techniques" & "Laparoscopic Treatment of PID and Adhesions": An Endoscopic Approach to the Treatment of Abnormal Uterine Bleeding and Pelvic Pain, Postgraduate Course, University of Vermont College of Medicine, October 1993.
- "Hysteroscopic Instrumentation and Distention Media": CREOG Endoscopy Workshop, United States Surgical Corporation, Norwalk, Connecticut, June 1993.
- "Update on the Management of the Infertile Couple": Family Practice Review Course, University of Vermont, June 1994.
- "Effect of Advanced Reproductive Technologies on Obstetrical Outcome". Pediatrics Interest Group, University of Vermont, May 1995.
- "Management Challenges in Hormone Replacement Therapy": University of Vermont Annual Postgraduate Course in Obstetrics and Gynecology, Burlington, Vermont, September 1995.
- "Managing Patients with Contraindications to Hormone Replacement Therapy": Roundtable Presentation, American Society of Reproductive Medicine Annual Meeting, Seattle, Washington, October 1995.
- "Care of the Perimenopausal Woman": Annual Meeting of Physician Assistants, Stowe, Vermont, January 1996.
- "HRT: Communicating Choices": Mid-life Women's Health seminar, Dartmouth-Hitchcock Medical Center, Lebanon, New Hampshire, October 1996.
- "Management Challenges with Hormone Replacement Therapy": Innovative Concepts in Clinical Ob/Gyn seminar, Burlington, Massachusetts, April 1997.
- "The Most Commonly Asked Questions About Menopause": Northeast Regional Seminar, American Association of Office Nurses, Springfield, Massachusetts, May 1997.
- "Primary and preventative care for postmenopausal women," Postgraduate Course, Department of Obstetrics and Gynecology, University of Vermont College of Medicine, September 1997.
- "Controversies in controlled ovarian hyperstimulation": American Society for Reproductive Medicine Postgraduate course, October 1997.
- "Alternatives to Hormone Replacement Therapy," Institute for Continuing Healthcare Education, Women's Health Program, Albany, NY, May 1998.
- "Update on Hormone Replacement Therapy," Family Practice Postgraduate course, University of Vermont College of Medicine, June 1998.
- "Alternatives to Traditional HRT – What's New", Vermont Family Practice Review, University of Vermont College of Medicine, Sheraton Hotel, Burlington, VT, June 1999.
- "Managing the Perimenopause" Twenty Sixth Annual Vermont Family Practice Review Course, Sheraton Hotel and Conference Center, Burlington, VT, June 2000.
- "The Pros and Cons of Hormone Replacement Therapy": Clinical Problems in Primary Care Medicine Conference. August 2001.
- "The Pros and Cons of Hormone Replacement Therapy": University of Vermont Annual Postgraduate Course in Obstetrics and Gynecology. Burlington, VT. October 2001
- "Assisted Reproductive Technology 2001": University of Vermont Annual Postgraduate Course in Obstetrics and Gynecology. Burlington, VT. October 2001.
- "Evaluation of Infertility": American College of Obstetrics and Gynecology Post-Graduate Course-- Reproductive Endocrinology. New York, NY. December 2001.

“Alternatives to HRT”: American College of Obstetrics and Gynecology Post-Graduate Course-- Reproductive Endocrinology. New York, NY. December 2001.

“Laparoscopies and Hysteroscopies”: American College of Obstetrics and Gynecology Post--Graduate Course –Reproductive Endocrinology. New York, NY. December 2001.

“Menopause and Hormone Replacement”: University of Vermont Graduate Course, Burlington, VT. April 2002

“Alternatives to HRT”: Bay State Medical Center Resident Research Day. Springfield, MA. June, 2002.

“Controversial Issues in Hormone Replacement Therapy”. 28th Annual Family Practice Review Course. Burlington VT. June 2002

“Women and Heart Disease: Working toward Prevention” Healthy Vermonters 2010 Conference. Vermont Department of Health. Burlington VT. September, 2002.

“Selecting Effective Treatment of Unexplained Infertility: Discussion and Debate” with Dr. Peter Casson. 24th Annual Post-graduate course in Obstetrics and Gynecology. Burlington VT. September 2002.

“WHI and HERS II Trials: Changing Recommendations for HRT Use”. Rochester NY. October, 2002.

“Hormone Replacement Therapy...Just When You Thought You Had it All Figured Out!”. PAAV 21st Annual Winter CME Conference. Stowe VT. January 2003.

“Strategic Marketing” course (attended). Physician Leadership Program. Colchester VT. February 2003.

“Life Without HRT: What to Do?” 29th Annual Family Practice Review Course. Burlington VT. June 2003.

“Association of Inflammation and T Cell Differentiation in Healthy Men and Women”. Coagulation Conference. Burlington VT. June 2003.

“Managing Menopause,” Women’s Health Conference, University of Vermont, June 2003.

“Herbals and Other Alternatives to HRT”. Roundtable Presentation. Annual meeting of the American Society for Reproductive Medicine. October 2003.

“Rethinking Old Paradigms: After HRT”. Postgrad course. Annual meeting of the American Society for Reproductive Medicine. October 2003.

“Effects of Depo-Medroxyprogesterone Acetate on Coagulation Parameters” Annual Meeting of the Society for Gynecologic Investigation. March 2004.

“Women’s Health Conference” Program Director and Speaker, University of Vermont, May 2004, 2005, 2006.

“Management of Abnormal Bleeding,” Family Practice Postgraduate Course, June 2004.

“Update on new forms of contraception”. Post grad course. Burlington VT. September 2004.

“Sonohysterogram Standards and Applications”. Gynecology Ultrasound conference. April 2005.

“Treating Abnormal Menstrual Bleeding: What are the New Options?” Women’s Health Conference. Burlington VT. May 2005

“Managing the Perimenopause in ‘05”. Family Medicine Review Course. Burlington VT. June 2005.

“Dealing with Menopausal Challenges: Hot Flushes, Vaginal Changes, and Sexuality”. Women’s Health and Breast Cancer Conference. Sheraton, Burlington, VT. October 2005.

“Contraceptives Update”. PAAV Winter CME Conference. Stowe, VT. January 2006.

GRAND ROUNDS:

"Growth Factors and Reproduction": Department of Obstetrics and Gynecology, University of Vermont, December 1990.

"Advanced Reproductive Technologies": Department of Obstetrics and Gynecology, University of Vermont, May 1991.

"Hormone Replacement Therapy": Central Vermont Hospital, Montpelier, Vermont, March 1992.

- "Diagnosis and Treatment of Osteoporosis": VA Hospital, Manchester, New Hampshire, July 1992.
- "Management of Endometriosis": Champlain Valley Physicians Hospital, Plattsburgh, NY December 1992.
- "Menopause: Estrogen Replacement Therapy": Central Vermont Hospital, Montpelier, Vermont, January 1993.
- "The Role of Growth Factors and Proto-oncogenes in Endometrial Development": Pennsylvania State University College of Medicine, Hershey, Pennsylvania, March 1993.
- "Transvaginal Ultrasound in Gynecology": Department of Obstetrics and Gynecology, University of Vermont, June 1994.
- "Hormone Replacement Therapy": Department of Family Practice, University of Vermont, November 1994.
- "Current Controversies in Hormonal Replacement Therapy": Department of Obstetrics and Gynecology, University of Vermont, November 1994.
- "Update on Infertility Diagnosis and Treatment": Porter Memorial Hospital, Middlebury, Vermont, February 1995.
- "Postmenopausal Estrogen Replacement Therapy": Department of Medicine, University of Vermont, October 1995.
- "Alternatives to Hormone Replacement": Department of Obstetrics and Gynecology, University of Vermont, December 1995.
- "Update on Hormone Replacement Therapy": Central Vermont Hospital, Berlin, Vermont, February 1996.
- "Update on The Management of Menopause": Concord Hospital, Concord, New Hampshire, September 1996.
- "Update on HRT": Champlain Valley Physicians Hospital, Plattsburgh, New York, November 1996.
- "Treatment of Ectopic Pregnancy": Mt. Sinai Medical Center, New York, NY, March 1997.
- "The Androgen Controversy - Pros and Cons of Testosterone Use in Women": Department of Obstetrics and Gynecology, University of Vermont, December 1997.
- "Update on Hormone Replacement Therapy": Concord Hospital, Concord, NH, May 1998.
- "HRT": Central Vermont Hospital, Berlin, VT, October 1999.
- "Update on Hormone Replacement Therapy": North County Hospital, Newport, VT, February 2000.
- "Selective Estrogen Receptor Modulator (SERMs)- Do They Offer Something New?" Department of Obstetrics and Gynecology, University of Vermont, April 2000.
- "Hormone Replacement Therapy": Grand Rounds, Northeastern Regional Hospital, St. Johnsbury, VT, June 2000.
- "Alternatives to Hysterectomy": Springfield Hospital, Springfield VT, July 2000.
- "Indications & Alternatives for Hysterectomy—An Update": Department of Obstetrics and Gynecology, University of Vermont, September 2000.
- "Managing the Perimenopause" Champlain Valley Physicians Hospital, Plattsburgh, NY, February 2001.
- "Alternatives to Hormone Replacement Therapy": Department of Obstetrics and Gynecology, University of Vermont, December 2001.
- "Alternatives to HRT": Women & Infants Hospital, Brown University College of Medicine, Providence, RI, February 2002.
- "Alternatives to HRT": Brigham and Women's Hospital, Harvard University College of Medicine, Boston MA. May 2002.
- "WHI and HERS Trials – Changing Recommendations for HRT Use": Department of Obstetrics and Gynecology, University of Vermont, September 10, 2002.
- "Controversies in HRT": Dartmouth Hitchcock Medical Center, Lebanon, NH. November 2002.

TEACHING ACTIVITIES:

Development and Lecturer, Generations Course, University of Vermont, 2004 - present.
Advisor, Medical Students, Obstetrics and Gynecology Clinical Rotation, 1990 - present.
Oral Examinations, Medical Students, Obstetrics and Gynecology Clinical Rotation, 1990 - present.
Didactic Lectures, Residents, Obstetrics and Gynecology, 1990 - present.
Didactic Lectures, Fellows, Reproductive Endocrinology and Infertility, 1990 - present.
Student Research Mentoring Program, "The Effect of Tamoxifen on the Female Reproductive Tract",
September 1990-June 1991.
Coordinator, Lecture Series, Reproductive Endocrinology Fellowship Program, 1991 to 1994.
Preceptor, Medical Students, Physical Examination Course, 1991 to 1994.
Representative, Graduate Medical Education Committee, Fletcher Allen Health Care, 1994 to 1998.
