

Dear HealthCare Provider,

On March 30, 2009, the U.S. Food and Drug Administration (FDA) issued warning letters to various manufacturers informing them to cease shipments of all unapproved immediate release Morphine solutions and tablets as of June 30, 2009. Details of these warning letters can be found at the following website:

<http://www.accessdata.fda.gov/scripts/wlcfm/date.cfm?MONTH=3&YEAR=2009>

Roxane is currently the only manufacturer who has an FDA approval for Morphine Immediate Release products. Roxane currently has the following approved SKUs.

- Morphine Sulfate Oral Solution, 10mg/5mL 100mL Bottle
- Morphine Sulfate Oral Solution, 10mg/5mL 500mL Bottle
- Morphine Sulfate Oral Solution, 10mg/5mL 40x5mL PC
- Morphine Sulfate Oral Solution, 20mg/5mL 100mL Bottle
- Morphine Sulfate Oral Solution, 20mg/5mL 500mL Bottle
- Morphine Sulfate Tablets 15mg Bottle of 100
- Morphine Sulfate Tablets 15mg 4x25 RN Blister
- Morphine Sulfate Tablets 30mg Bottle of 100
- Morphine Sulfate Tablets 30mg 4x25 RN Blister

The health and well being of the patient population is the highest priority at Roxane Laboratories and we will continue to supply the patient needs of the products listed above. Roxane is not experiencing any backorders on its Morphine Sulfate products and will continue to maintain inventories to ensure there is no interruption in the supply of these critical products.

If you have any questions please contact Roxane's Technical Product Information group at 1-800-962-8364.

Roxane would like to thank you for your continued support.

Paul Kersten
