

New program... CEA ideas

- **3rd party labs should write standards & test products**
- **Continue mandatory safety limits, but voluntary standards for methods**
- **Decrease reporting - tied to percent of employees trained/accredited**
- **Electronic reporting**

New program... CRCPD ideas

- **Focus group on new technology**
- **Early relationship: mfr.-state-fed.**
- **Guidance on use control: non-medical intentional exposure**
- **Patient/user information**
 - **Individual exposure v. background**
 - **Medical exposure v. other sources**
