Dear Sir/Madam:

On October 9, 1997, we notified you of our intent to inspect a shipment of compact disc players offered for import into the United States by your firm on October 9, 1997, under entry number [] This shipment was not held intact and was moved to the importer's premises and distributed without an FDA release. This is a violation of Title 21, Code of Federal Regulations, Section 1.90 (copy enclosed), which requires the importer to hold an entry intact pending receipt of a "May Proceed" or "Release" Notice from FDA.

Failure to prevent future violations may result in regulatory action without further notice such as seizure, injunction, or automatic detention of future shipments. It is your responsibility, as the importer, to ensure that imported products meet all requirements of the Federal Food, Drug, and Cosmetic Act, and the regulations promulgated thereunder.

Please notify this office in writing within 15 working days of receipt of this letter of the specific steps you have taken to prevent future violations. Your written reply should be addressed to this office, attention Robert A. Sittig, Compliance Officer.

Sincerely,

Raymond V. Mlecko
District Director
