WARNING LETTER

Dear Mr. McClaskey:

On November 7, 1996, an inspection of your firm, Casino Express, located in Elko, Nevada, was conducted by FDA Investigator Randall P. Zielinski. The inspection found that meals prepared for passengers served by your airline are being manufactured at [REDACTED] [REDACTED] is not an approved flight kitchen.

Distributing food from an unapproved source constitutes a violation of the Public Health Service Act, Section 361 and the regulations for interstate conveyance sanitation, Title 21, Code of Federal Regulations, Part 1250. This was discussed with Mr. Arthur W.L. Moses during the inspection.

For your information, the only current sources which have been approved for use by interstate conveyances in your geographic area are [REDACTED] and [REDACTED]. Both firms are located in [REDACTED].

You were informed in a Warning Letter issued on May 20, 1993, that your firm must use food from approved catering sources. You have failed to take adequate corrective action. Failure to achieve prompt corrective action may result in a reclassification of your firm's status to NOT-APPROVED, or other appropriate regulatory enforcement action without further notice.

Please advise this office in writing within fifteen (15) days of the receipt of this letter, of the specific steps you have taken to correct this situation and preclude any future recurrence. If corrective action cannot be completed within fifteen working days, state the reason for the delay and the time frame within which a correction will be completed. Please direct your reply to John M. Reves, Compliance Officer.

Sincerely,

Patricia C. Ziobro
