Dear all,

Based on the feedback that we have received about your availability, a decision has been made to hold the 7th face-to-face MAQC project meeting on **May 24-25, 2007** (Thu-Fri; 9 am - 6 pm ET for both days) at:

SAS Institute Inc.
Building V
100 SAS Campus Drive
Cary, NC 27513, USA
<http://www.sas.com/>

The local airport is "RDU" (Raleigh/Durham International Airport). A list of SAS-recommended hotels can be found at the following Web site: <http://support.sas.com/training/fyi/ca.html>. We greatly appreciate Dr. Russ Wolfinger of SAS Institute for hosting the 7th MAQC meeting.

Availability survey results:

Option	# of Responders
A. April	23
B. May	31
C. Both	31
D. Neither	6

(Detailed voting results are available upon request.)

Some of you may find the immediately preceding meeting in North Carolina of interest:

International Science Forum on Computational Toxicology, May 21-23, 2007

U.S. EPA's Main Campus in Research Triangle Park, North Carolina

Subject: MAQC SURVEY - Date for the next MAQC face-to-face meeting in Cay, North Carolina?

The next MAQC face-to-face meeting is being proposed for April 26-27 or May 24-25, 2007 at the SAS Institute Inc., SAS Campus Drive, Cary, NC 27513, USA.

The main purpose of this meeting is to review initial analysis results and discuss other issues about the MAQC-II project. It will be a two-day meeting (9 am - 6 pm EST for both days). Local airport is "RDU".

We would like to know your availability for the two optional dates. Please reply by **4 pm CST, Wednesday, February 14, 2007** with one of the following four choices about your availability by using the **[VOTING BUTTONS LOCATED AT THE TOP OF THIS MESSAGE ABOVE THE ADDRESS LINE](#)**:

- A: April 26-27
- B: May 24-25
- C: Both
- D: None

A final decision on the meeting dates will be made based on the survey results.

BTW: The Confidential Information Disclosure and Transfer Agreement (CIDTA) is still under review by US FDA's legal team. The final document may not be ready by this Friday. Leming Shi will keep you updated as soon as possible.
