Final Rule Concerning Policies, Requirements, and Administrative  
Procedures; Prescription Drug Marketing Act of 1987; Prescription Drug  
Amendments of 1992; Petition for Stay of Action by the Pharmaceutical  
Distributors Association dated March 29, 2000

Dear Mr. Korb:

As we discussed Friday, April 5, the petition of the Pharmaceutical Distributors Association dated March 29, 2000, is hereby withdrawn. Most of the relief requested in the petition was granted by the Administration in stays to certain provisions of 21 C.F.R. § 203.50, and this March 29, 2000 petition is no longer relevant.

Sincerely,
