Dear Sir or Madam:

This is to provide the required information to comply with our obligation under DSHEA labeling regulations.

Supplement: Ester-C® 500mg Capsules

Manufacturer, packer: Natural Factors Nutritional Products, Ltd.
1550 United Blvd.
Coquitlam, B.C.
Canada V3K 6Y7

Distributor: Natural Factors Nutritional Products, Inc.
1111 80th St. SW, Suite 100
Everett, WA 98203

Text of side Panel: Ester-C® is a patented non-acidic form of Vitamin C. It is produced using an exclusive water-based manufacturing process that yields a Vitamin C that, unlike ordinary ascorbic acid, is gentle of the gastrointestinal system and tooth enamel. The process also gives rise to Vitamin C metabolites, including threonate, that enhance the absorption and utilization of Vitamin C within the body. Each 500mg capsule also contains 100mg of Citrus Bioflavonoids to support the body's use of Vitamin C. Vitamin C is a potent, nutritional antioxidant supporting healthy bones, cartilage, teeth and gums. It helps protect cells against environmental pollutants and deficiencies in the daily diet.*
