Re: Statement of Nutritional Support Notification

Dear Sir or Madam:

In accordance with 21 U.S.C. § 343 (r) and 21 CFR § 101.93, Mannatech Incorporated, 600 S. Royal Lane, Ste 200, Coppell, TX 75019, hereby submits an original and two copies of it's notification within 30 days of first marketing its products with the statements presented below:

Supplement Brand Name: GlycoLean® Accelerator 2™

Supplement Ingredients: See attached brochure.

Text of Statements of Nutritional Support:

1. Thermogenic/energy, fat-loss support.
2. An herbal supplement designed to boost energy level and provide support for a normal appetite.
3. Designed to provide energy and a feeling of vitality without the problems triggered by many appetite-control products.
4. Designed to boost the body's metabolic rate and energy level.
5. Designed to assist with appetite control and support blood sugar levels as well as the immune system.
6. Helps maintain normal, already healthy metabolic rate, energy levels, blood sugar levels, immune system and appetite.
7. Supports recovery from stress and fatigue.
8. Supports the body's ability to handle nervous tension, stress and mild anxiety.

9. Designed to help counter the “free radicals” that are released when stored fat is mobilized and used for energy.

Supplement Brand Name: GlycoLean® Catalyst

Supplement Ingredients: See attached brochure.

Text of Statements of Nutritional Support:

1. Antioxidant, fat-loss support.
2. Support your body’s ability to utilize fat.
3. Antioxidant support necessary to counter the effects of stress and free radicals that can slow the metabolic rate and cause a diet to plateau.
4. Support for blood sugar levels, bone health, the liver and nervous system.
5. Helps maintain normal, already healthy: metabolic rate, energy levels, blood sugar levels, digestion, immune system, nerves, kidneys, bones, teeth, gums, joints, skin, hair and eyes.
6. Provides calcium to help strengthen bone and tissue in growing and mature users.
7. Formulated to help maintain good health.
8. Provide support for a normal appetite and to help maintain blood sugar balance.

Supplement Brand Name: GlycoLean® Fiber Full

Supplement Ingredients: See attached brochure.

Text of Statements of Nutritional Support:

1. Gentle, expanding fiber formula for supporting appetite control.
2. Designed to expand gently in the stomach when mixed with fluids, providing a feeling of fullness that can help reduce appetite.
3. Helps to maintain a healthy digestive system.
4. Designed to expand gently in your stomach when mixed with fluids.
5. Designed to help control appetite and support the digestive system and colon health.
6. Support of elimination during changes in diet and lifestyle.

Supplement Brand Name: GlycoLean® Body System (Accelerator 2, Catalysts and Fiber Full packaged as a system that contains one each of the above supplements along with a meal replacement drink, exercise guide and guide to low glycemic eating).

Supplement Ingredients: See attached brochures.

Text of Statements of Nutritional Support:

1. Designed to help you optimize your body's composition and performance by focusing on losing fat, not just pounds.
2. Any of the above product statements of nutritional support may be used in labeling describing the entire GlycoLean System as well as individual products.

Mannatech Incorporated certifies that it possesses adequate substantiation for these statements of nutritional support; that the substantiation renders them truthful and non-misleading and thus permissible under the Dietary Supplement Health and Education Act (DSHEA); and that the information contained in this notice is complete and accurate.

Yours truly,

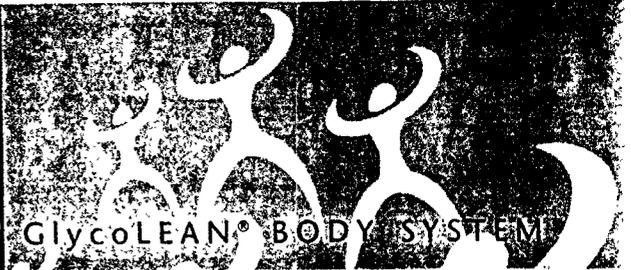

Dennis R. Sparkman, Ph.D.  
Executive Director Regulatory Affairs

## Accelerator2™

Herbal Dietary Supplement

### Thermogenic/Energy, Fat-Loss Support\*

GlycoLEAN Accelerator2™ is designed to provide a feeling of energy and vitality without the problems triggered by many appetite-control products.\*

GlycoLEAN Accelerator2™ is a safe, ephedrine-free, antioxidant formula designed to help counter the “free radicals” that are released when stored fat is mobilized and used for energy.\* Featuring a unique blend of ingredients—such as guarana, ginseng, gotu kola, Japanese green tea, chromium, citrus aurantium and dandelion root—Accelerator2™ is designed to help boost your body’s metabolic rate and energy level.\* Accelerator2™ is also designed to assist with appetite control and support blood sugar levels as well as the immune system.\* This ephedrine-free, thermogenic product maximizes your body’s ability to burn fat.

Consult your physician before beginning any weight-loss or exercise program.

# Catalyst

Multivitamin and Mineral Dietary Supplement

## Antioxidant Fat-Loss Support\*

GlycoLEAN® Catalyst is a multivitamin and mineral supplement specifically designed to support your body's ability to utilize fat.\* More than just another appetite-control product, GlycoLEAN® Catalyst is designed to provide 100% of the recommended daily allowance of the vitamins your body needs and is formulated to help maintain good health.\* In addition to supporting weight loss, Catalyst provides nutrients your body may crave to maintain good hair, skin, eyes and normal, healthy bones. Additionally, GlycoLEAN® Catalyst features nutrients designed to maintain a healthy liver and glandular system to assist carbohydrate conversion, blood sugar balance, bone density and a healthy immune system.\*

Catalyst taken with Accelerator2™ is essential to your long-term success and for the changing of body mass from fat to lean. Catalyst is key! Catalyst contains the nutrients the body needs when it is stressed, so the body feels satisfied without the need for additional calories. Catalyst is optimized to provide support for a normal appetite and to help maintain blood sugar balance.\* These are critical when you increase activity and/or decrease calorie intake. If you're going to optimize your chances for success, Catalyst is essential.

### RECOMMENDED USE:

As a dietary supplement to be taken in conjunction with the GlycoLEAN® Body System. Take two tablets twice per day (morning and evening).

Consult your physician before beginning any weight-loss or exercise program.

\* This statement has not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure or prevent any disease

**Fiber Full**  
*Botanical Dietary Supplement*

**Gentle, expanding fiber formula for supporting appetite control\***

Fiber Full is a product containing Ambrotose FiberMAX™, an exclusive new fiber designed to expand gently in your stomach when mixed with fluids.\* Many people who take Fiber Full sense a feeling of fullness that reduces their food cravings. Fiber Full is designed to help control appetite and assist overall digestive system and colon health.\* Fiber Full is meant to help you feel full, but it can only achieve this goal with sufficient water to cause the fiber to expand. This unique fiber complex has numerous health benefits in addition to appetite control.

Fiber Full also has nutrients for healthy intestinal flora and appetite control, as well as whole aloe gel and magnesium for support of elimination during changes in diet and lifestyle.\*

Used with hot Japanese green tea, many consumers get that feeling of fullness in ten minutes or less. So take Fiber Full with fluid before you eat, up to three times a day. Of course, the more water you use, the better. Hydration is a key component of your success and your good health.

**RECOMMENDED USE:**

As a dietary supplement to be taken in conjunction with the GlycoLEAN® Body System. Take one capsule 20 minutes before mealtime with 16 oz. of water. Use twice daily.

# GlycoSlim® CHOCOLATE

*Meal Replacement Drink Mix*

GlycoLEAN GlycoSlim® Drink is a low-glycemic drink that contains the nutrients your body needs to feel full and satisfied. A delicious nutritional breakthrough, these appetizing meal-replacement drinks contain various nutrients, including 16 grams of non-GMO soy protein (equivalent to approximately 2.7 ounces of chicken!) and low-glycemic carbohydrates that may help you feel satisfied. Available in both chocolate and French vanilla flavors, add fresh or frozen low-glycemic fruits in recommended quantities to the vanilla drink for a unique taste experience. Unlike others, our drinks are low-glycemic, with no artificial flavors, colors, or sweeteners or preservatives found in many commercial products. Feel what it is like to eat low-glycemic.

A great, nutritionally-balanced quick meal or snack for those with a hectic lifestyle!

**RECOMMENDED USE:**

As part of Mannatech's GlycoLEAN® Body System, enjoy GlycoSlim® Meal Replacement Drink Mix in place of one meal or in-between meals to help curb your appetite. Simply add one (1) slightly rounded scoop of GlycoSlim® Meal Replacement Drink Mix to either 8 oz. of water or nonfat milk and mix.

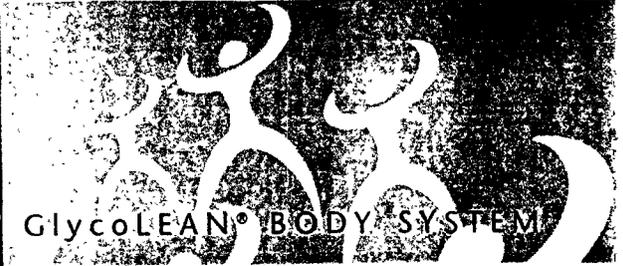

This product contains no artificial sweeteners or preservatives and no artificial colors.

Consult your physician before beginning any weight-loss or exercise program.
