Washington, DC 20204

Dear Sir/Madam:

This is a notification pursuant to 21 U.S.C. 343(r)(6) that Standard Process Inc., Palmyra, Wisconsin 53156-0904, is making the following statements:

1. Pituitrophin PMG helps support the healthy functioning of the pituitary gland.

These statements are made for a dietary supplement containing a proprietary blend of magnesium citrate and bovine pituitary PMG™ extract. Other ingredients include calcium lactate, cellulose, and calcium stearate. The name of the product is Pituitrophin PMG®.

The information contained herein is accurate and Standard Process Inc. has substantiation that the statements are truthful and not misleading.

Sincerely yours,

A handwritten signature in cursive script that reads "Ann M. Holden".

Ann Holden
Standard Process Inc.
