Dear Dr. Kahl:

McLind Corporation wishes to notify the Food and Drug Administration that it has, within the past 30 days, commenced marketing a dietary supplement which bears a statement under Section 403(r)(6) of the Federal Food, Drug and Cosmetic Act.

The dietary supplement for which the statement is made is Betaine Hydrochloride with Pepsin. The dietary ingredients that are the subject of the statement are betaine hydrochloride and pepsin. The statement reads as follows.

"This time-tested supplement helps breakdown carbohydrate, protein and fat molecules for optimal absorption and bioavailability."

This statement is accompanied by the required disclaimer which is prominently displayed in bold-faced type.

This information contained in this notice is complete and accurate and the above statement is based on data which renders these statements substantiated, truthful and non-misleading.

Sincerely,
McLind Corporation
