Dear Sir:

This notification is on behalf of Dee Cee Laboratories, Wonder Laboratories and Foster Regal Laboratories, manufacturer and distributors, 304 Dee Cee Court, White House, TN, 37188.

We intend to include the following statement of nutritional support on our EVENING PRIMROSE OIL with SOY ISOFLAVONES #246, a dietary supplement containing Evening Primrose Oil and Soy Isoflavones.

"Evening primrose oil is one of the richest sources of Gamma-Linolenic Acid (GLA). Gamma Linolenic Acid is a precursor to prostaglandins, action specific biomolecules which regulate many important functions in cells. Soy Isoflavones are naturally occurring compounds which provide nutritional support during menopause."

Please be advised that the information contained herein is, to the best of our knowledge and information, accurate. Our firm has information substantiating that the above statement is truthful and not misleading.

Respectfully submitted,

DEE CEE LABORATORIES, INC.

Harry F. Hester, President
