Re: Dr. Kyl Smith Health Claim Petition for Phosphatidylserine

Dear Dan:

Thank you for your letter of today's date. That letter requests an extension by mutual agreement of the 100-day deadline in the above-referenced matter from July 28, 2002 to September 13, 2002. We hereby confirm Dr. Smith's agreement to the new deadline of September 13.

We are working diligently to supply you with the information we discussed at the earliest possible moment. We appreciate your offer for an in-person meeting to review that information and will call to schedule that meeting immediately after we have received and reviewed the data.

Sincerely,

Jonathan W. Emord
