Dear Sir or Madam:

This is to provide the required information to comply with our obligation under DSHEA labeling regulations.

Supplement: Silybin Phytosome™

Manufacturer, packer: Natural Factors Nutritional Products, Ltd.
1550 United Blvd.
Coquitlam, B.C.
Canada V3K 6Y7

Distributor: Natural Factors Nutritional Products, Inc.
1111 80th St. SW, Suite 100
Everett, WA 98203

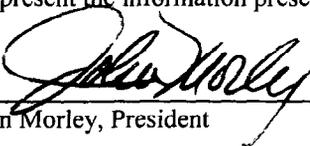

Text of side Panel: Silybin Phytosome™ is the result of a unique, patented process that binds the key component of the herb, milk thistle, to phosphatidylcholine – the key component of soy lecithin as well as cellular membranes throughout the human body. The Phytosome™ process increases the absorption, biological activity, and delivery of silybin, making it the most beneficial form of milk thistle extract.

Text of PDP: SUPPORTS LIVER FUNCTION*

Name of dietary ingredient that is the subject of statement: Silybin (milk thistle)

Name of dietary supplement: Silybin Phytosome™ 120mg

I represent the information presented to be accurate and in compliance with supplement label regulations.

John Morley, President
