RE: Section 403(r)(6) Notification: Dietary Supplement Labeling Statements

Dear Sir or Madam:

This notification is being submitted pursuant to Section 403(r)(6) of the Federal Food, Drug and Cosmetic Act and Title 21, Section 101.93 of the Code of Federal Regulations. Marketing of the *Elations Dietary Supplement* product, which is the subject of this notification, has commenced within the past 30 days.

Name and address of distributor:

The Procter & Gamble Distributing Company  
Cincinnati, Ohio 45202

Text of the statements being made:

Daily nourishment for joints and bones.

A flavorful advancement in joint and bone health.

Elations is an innovative daily dietary supplement that supports your active lifestyle by improving joint flexibility and promoting bone strength.

Elations. The innovative once-a-day dietary supplement that supports your active lifestyle by improving joint flexibility and promoting bone strength.

Elation's unique formula provides combination care for your joints and bones.

Glucosamine is an amino sugar produced by the body to form cartilage, ligaments, and synovial fluid, which lubricates and cushions joints.

Calcium is a primary mineral component needed for bone strength. To promote calcium absorption, Elations' special formula includes citric and malic acids (CCM).

Vitamin C is essential for synthesis of the collagen your body uses to form cartilage and bones.

Enjoy Elations if you want to take an active role in helping maintain overall bone strength and joint flexibility.

Enjoy Elations if you desire strong bones and flexible joints.

975 0162 LET 10082

*Procter&Gamble*

Names of the dietary ingredients that are subjects of the statements:

Glucosamine hydrochloride, Calcium, Vitamin C and Boron

Name of the dietary supplement:

Elations Dietary Supplement
