Re: Structure/Function Label Claim

This letter is to notify the Food and Drug Administration that within the past 30 days our company has begun to market **Udo's Choice Infant's Blend Probiotic Dietary Supplement**, with the following statement(s) of nutritional support included on the label and in labeling for the product:

1. ...assist in nitrogen retention and help synthesize the very important B-complex vitamins necessary for proper growth and development.
2. ...helps maintain healthy intestinal flora and strengthen the immune system.
3. ...relieve symptoms associated with occasional diarrhea.

The dietary ingredients of the product that are the subject of the above statements are **Lactobacillus casei, Streptococcus thermophilus, Bifidobacterium infantis, Lactobacillus acidophilus, Bifidobacterium bifidum, Bifidobacterium breve, Lactobacillus bulgaricus.**

It is hereby certified that the information in this notification is complete and accurate, and that our company has substantiation that the above statements are truthful and not misleading.

Very truly yours,

Flora, Inc.
