Re: Docket No. (Re-Listing Petition for lamotrigine)

Dear Sirs :

Enclosed find the original and three copies of a RE-LISTING PETITION seeking approval for a previously-approved dosage strength for the captioned drug product. This RE-LISTING PETITION replaces the SUITABILITY PETITION which I submitted on 25 May 2005 (thus, please withdraw it).

Please let me know if you require any further information. Many thanks in advance for your help.

With my very best regards,

J. Mark POHL
