JAN 17 2005

Dear Sir or Madam:

This letter will serve as a 30-day notification pursuant to Section 6 of the Dietary Supplement Health and Education Act of 1994 that NBTY Inc. is using the following statements on our Triple Strength Glucosamine Chondroitin supplements under the Radiance label:

Ingredients: Sodium, Glucosamine Hydrochloride, Chondroitin Sulfate.

- Supports Mobility and Flexibility.
- Triple Strength Glucosamine Chondroitin provides two of the most popular ingredients known for their ability to support joint health.
- Glucosamine is a key structural component in cartilage and acts as a lubricant.
- Chondroitin also acts as a lubricant and is an important molecular component of glycosaminoglycans.
- One serving of Triple Strength Glucosamine Chondroitin helps promote comfortable joint movement for anyone seeking nutritional joint support.

The above statements are accompanied by the required disclaimer pursuant to Section 6 of the Dietary Supplement Health and Education Act.

Sincerely,

Angelica S. Vrablic, Ph.D.
Manager, Nutrition Research
