Re: Dietary Supplement Statement of Support Notification

To Whom It May Concern:

McLind Corporation, P.O. Box 3669 Torrance, CA 90510-3896, who is the distributor of the following dietary supplement product, intends to make the following statement(s) of support:

“NAC (N-Acetyl Cysteine) and the trace minerals molybdenum and selenium act as precursors to the productions of glutathione, the body’s primary cellular antioxidant. Glutathione helps ward off infections through its antioxidant/detoxification properties and facilitates the production of several digestive enzymes.\*”

“NAC has also been shown to help reduce levels of fatigue and improve muscle contraction during exhaustive exercise.\*”

These claims are being made for a product named Lindberg® NAC (N-Acetyl Cysteine). This submission is being made in compliance with 21 CFR §101.93.

The undersigned is an authorized representative of the McLind Corporation and certifies that the information contained in this notice is complete and accurate, and that McLind Corporation has substantiation that the above statement(s) is (are) truthful and not misleading.
