

**FINDING OF NO SIGNIFICANT IMPACT  
FOR**

Color Additive Petition 7C0208, submitted by the Color  
Cosmetic, Toiletry and Fragrance Association, to provide for  
the safe use of high purity furnace black as a color additive in  
cosmetics including those for use in the area of the eye.

The Environmental Review Group, Division of Chemistry Research and Environmental  
Review, Center for Food Safety and Applied Nutrition, has determined that approval of this  
petition will not significantly affect the quality of the human environment and therefore will  
not require the preparation of an environmental impact statement. This finding is based on  
information submitted by the petitioner in an Environmental Assessment dated August 7,  
2003.
