21 CFR Part 522

Animal Drugs, Feeds, and Related Products; Change of Sponsor; Technical Amendment

AGENCY: Food and Drug Administration, HHS.

ACTION: Final rule; technical amendment.

SUMMARY: The Food and Drug Administration (FDA) is amending the animal drug regulations to reflect the correct sponsor for an approved new animal drug application. The sponsor that is currently specified in the regulations is incorrect. This document amends the regulations to correct that error.

EFFECTIVE DATE: *(Insert date of publication in the Federal Register.)*

FOR FURTHER INFORMATION CONTACT: LaJuana D. Caldwell, Office of Policy (HF-27), 5600 Fishers Lane, Rockville, MD 20857, 301-443-2994.

SUPPLEMENTARY INFORMATION: FDA has discovered that an error has become incorporated into the agency's regulations for animal drugs, feeds, and related products. An amendment published on June 30, 1997 (62 FR 35075), amended § 522.1044 (21 CFR 522.1044) in paragraph (b)(3) by removing "054273" and adding in its place "000010". However, § 522.1044(b)(3) was not added to the agency's regulations until August 26, 1997 (62 FR 45157). Because § 522.1044(b)(3) did not exist when the amendment was made, the regulations were not amended and therefore the regulations are incorrect. This document corrects that error.
