Re: Anesthetic and life support drugs advisory committee

Dear Ms. Topper:

I did receive the notification of the meeting that was to be held on June 14th and 15th in Gaithersburg, Maryland. Unfortunately I was not able to arrange my schedule to make those dates. I was just advised that the meeting was postponed and will be rescheduled for sometime in September and would be very interested in receiving information on attendance.

I would look forward to having any information about this. I am a family practice physician, but also function as medical director of two hospices and have a number chronic nonmalignant pain patients in my practice as well. I look forward to hearing from you in the near future.

Sincerely,

Timothy P. Hodges, D.O.-ABFP
