Dear Secretary,

My company will soon introduce a new product into the natural supplement marketplace.

In accordance with DSHEA Section 6, please accept this notification of statements, which appear on the label for Menopause Solution change of life formula:

"...respected for it's ability to promote well-being during menopausal years."

Dr. Lin Cheng Tan, M.D. (China), O.M.D., L.Ac., developed DR. LIN'S LIFESTYLE SOLUTIONS specifically to meet the needs of women. Through years of research in her clinical practice, Dr. Lin created these safe and highly effective herbal preparations which combine modern formula logic with the wisdom of Traditional Chinese Medicine (TCM).

MENOPAUSE SOLUTION Change of Life Formula™ is a contemporary adaptation of a classic formula based on the renowned herb Dang Gui, respected for centuries for its ability to promote well-being during menopause.\*
