Dear Secretary,

My company will soon introduce a new product into the natural supplement marketplace.

In accordance with DSHEA Section 6, please accept this notification of statements, which appear on the label for Luminous pearl extract skin formula:

"Pearl has been used for centuries for its ability to accelerate the regeneration of new skin cells, thus creating a smooth, radiant complexion."

Dr. Lin Cheng Tan, M.D. (China), O.M.D., L.Ac., developed DR. LIN'S FORMULAS specifically to meet the challenges of today's lifestyles. Through years of research in her clinical practice, Dr. Lin created these safe and highly effective herbal preparations which combine modern formula logic with the wisdom of Traditional Chinese Medicine (TCM).

LUMINOUS Pearl Extract Skin Formula™ is a unique formula that features a hydrolyzed extract of fresh water pearl. This completely soluble extract is blended with the extracts of four fresh flowers, each one selected from the different season in which it blooms. Pearl has been used for centuries for its ability to accelerate the regeneration of new skin cells, thus creating a smooth, radiant complexion.*

*This statement has not been evaluated by the FDA. This product is not intended to diagnose, treat, cure or prevent any disease.
