Re: Notification of DSHEA nutritional support claim for AmeriFIT T-Protect Dietary Supplement

Dear Sir or Madam:

The purpose of this letter is to provide notification pursuant to section 403 (r)(6) of the Federal Food, Drug, and Cosmetic Act ("the Act") and 7 C.F.R. § 101.93 that AmeriFIT, Inc., is marketing a dietary supplement that bears a statement of nutritional support as defined in section 403 (r)(6) of the Act.

The labeling for T-Protect bears the following statements:

"Helps protect against testosterone conversion"

"T-Protect is a unique blend of natural ingredients to protect hormonal structure and help prevent the formation of 5-alpha reductase, a substance involved in the conversion of testosterone into DHT and estrogen"

AmeriFIT, Inc. has on file substantiation that the above statements are truthful and not misleading. To the best of my knowledge, the information contained in this notice is complete and accurate.

Sincerely,

Craig Larsen  
Director of Product Development and Quality Assurance
