## NOTIFICATION OF STATEMENTS OF NUTRITIONAL SUPPORT

This Notification is filed pursuant to § 403(r)(6) of the Federal Food Drug and Cosmetic Act (FDC Act), 21 U.S.C. §343 (r)(6).

Name of dietary supplement: PharmaLogics St. John's Wort

Statements of  
nutritional support:

Supports Healthy Moods; Neurotransmitters are intimately involved in positive mental functioning. St. John's Wort can help the body inhibit enzymes responsible for the breakdown of neurotransmitters in the brain. Scientific studies show that 900mg of the standardized extract daily support positive mental function.

I certify that the information contained in this notice is complete and accurate, and that we have substantiation that the statements are truthful and not misleading.
