

**FOOD AND DRUG ADMINISTRATION
CENTER FOR BIOLOGICAL EVALUATION AND RESEARCH**

**VACCINES AND RELATED BIOLOGICAL PRODUCTS ADVISORY COMMITTEE
VRBPAC**

**Draft Committee Discussion Question
March 17, 2004**

Open Session

1. Does the committee confirm its recommendation made on February 19, 2004 to change the influenza B component to a B/Shanghai/361/2002 - like strain of B/Yamagata/16/88 hemagglutinin lineage for vaccines to be used during the 2004 - 2005 season?
