

Memorandum

Date July 28, 2008

From Lee L. Zwanziger, Ph.D.
Designated Federal Officer, Risk Communication Advisory Committee

Subject Information for August 14-15 Meeting of Risk Communication Advisory Committee

To Members, Risk Communication Advisory Committee

FDA's Risk Communication Advisory Committee will hold its next meeting on August 14 and 15, 2008. This meeting is in follow-up to the topic discussed at the first meeting on February 28, 2008. The Committee will receive presentations about research in risk communication in different situations, and presentations on FDA's risk communication programs and FDA's responsibilities.

As background for this meeting, you may wish to review the presentations given by FDA personnel at the February 28, 2008 meeting, in particular by the panel overview of existing risk communication programs. Slides, minutes and transcripts may be viewed at the following address.
