

# Attention FDA

1837 '00 AUG 10 10 17  
It came to my attention that the FDA is being asked to take away my right to sign a medical waiver before purchasing a hearing aid. Instead I would be forced to have a medical exam or hearing test. Here's my views and/or experiences on several related questions?

1. Should I be forced to have a medical exam and/or hearing test before purchasing a hearing aid? If so, should the FDA pay for the exam?

*Yes! FDA should pay for exam.*

2. Some people are physically unable to drive to a doctor or hearing specialist, or have had bad experiences they don't want to repeat. For instance ...

*no such experiences myself, but, can see where it could be a problem for some.*

3. Should the FDA take away my Constitutional Right, affirmed by the Supreme Court, to decide for myself my medical exams and treatment?

*No!*

4. Should I be allowed to purchase hearing aids by mail as I choose?

*most certainly.  
It is my privilege to do so.*
