Dr. Jane Henney
Commissioner,
Food and Drug Administration
5600 Fishers Lane
Room 1471
Rockville, MD 20857

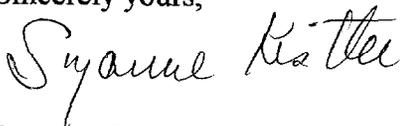

Dear Dr. Henney:

I am very concerned about the overuse of antibiotics to promote growth in livestock. This presents a clear and present danger to the health of Americans.

Please move quickly to follow Europe's lead and act to ban such use of any antibiotics used in human medicine. The problem has been studied long enough.

Thank you.

Sincerely yours,

Suzanne Kistler, Ph.D.
