Re Docket No. 98P-0151/CP1

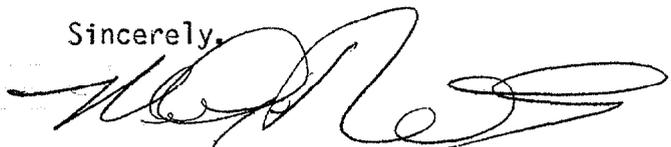

To whom it may concern:

Please grant the Farm Sanctuary's petition to prohibit the slaughter of downed animals.

All animals must be treated in a humane manner, especially those about to be slaughtered for human consumption. Animals who are too sick to walk should not be included in routine slaughter. Those animals must be treated separately, and treated properly for their illness.

Please.

Sincerely,

Marilyn Roberts
