Dear fellow human being:

I am writing in regards to **docket # 98P-0151/CP1**, a petition to prohibit the slaughter of "downed animals" for human consumption, proposed by Farm Sanctuary. I feel terrible about the suffering these sick or injured animals are enduring, even as I write this letter to you. I am ashamed that I did not realize this suffering, and I implore you to pass legislation to protect these and all farm animals.

Thank you,

Andréa X. Tasha
