Dear Folks;

I do not want Genetically engineered <sup>Foods</sup> in my body. I want to know with bold, proper labels when ingredients are G.E. I do not want such products/foods on the GRAS list. I believe it is bad for the consumer and the environment. I think G.E. should be banned totally. It's NOT WORTH THE RISK.

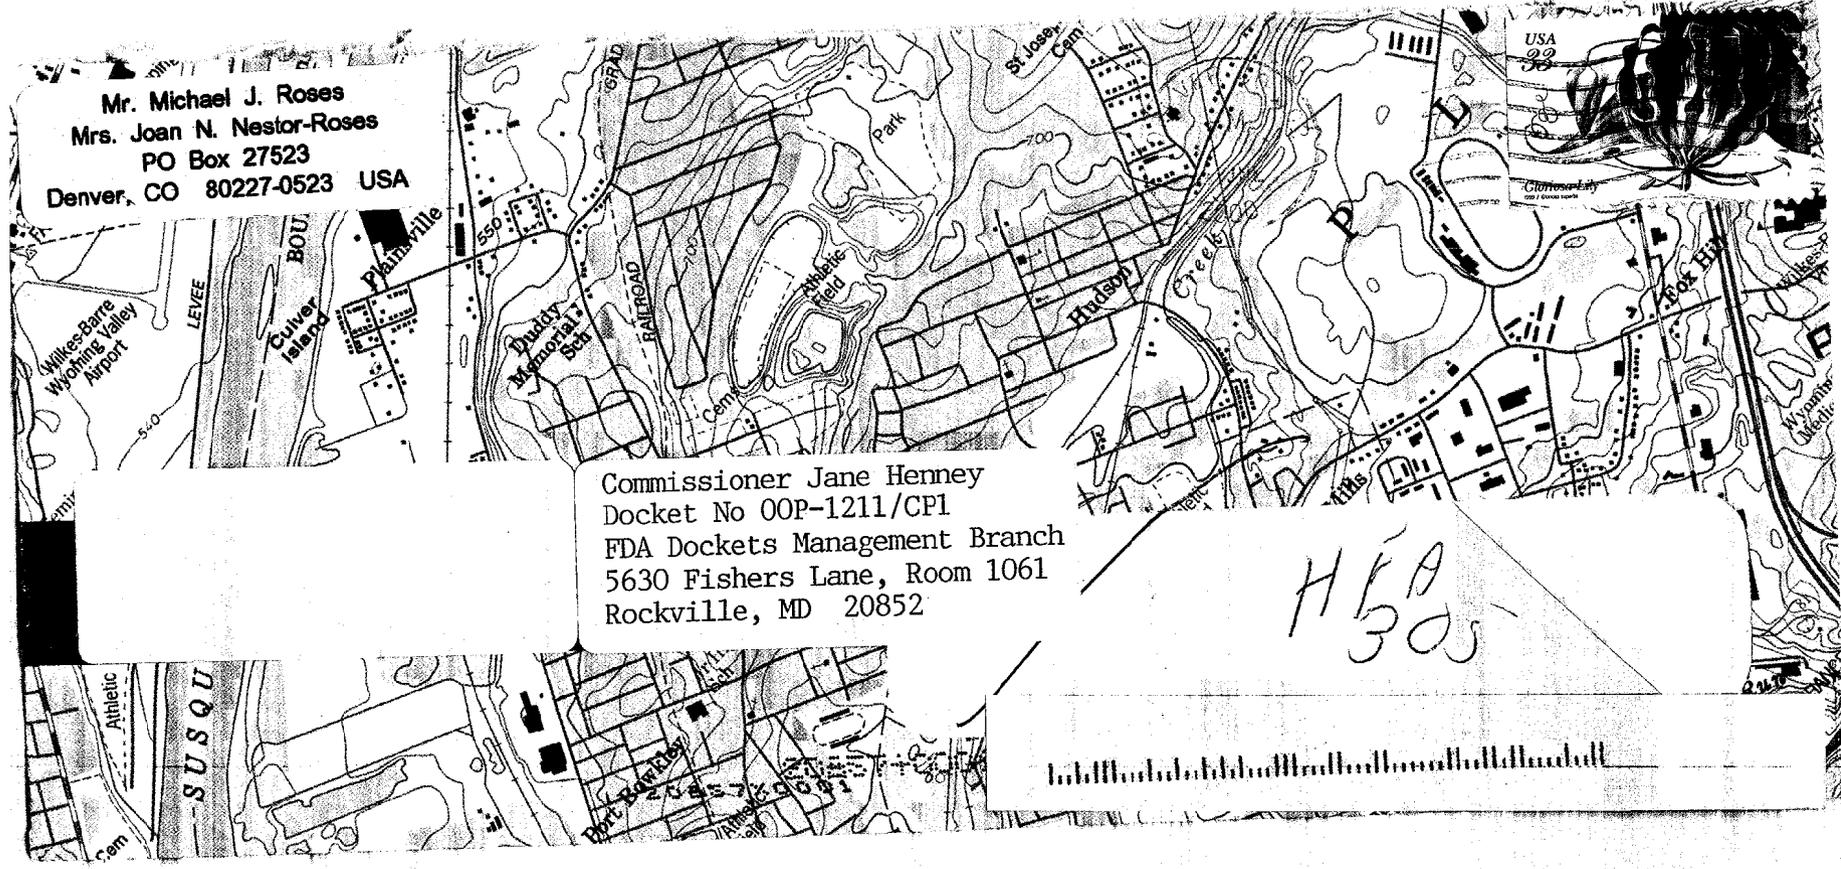

Sincerely,

00A-1211

C2683

Mr. Michael J. Roses  
Mrs. Joan N. Nestor-Roses
