Re: **Docket No. 99P-4613**

Dear Dr. Henny:

It has come to my attention that the National Milk Producers Federation filed a complaint with the FDA to stop beverages made from soybeans from being called soy milk. I urge the FDA to allow non-dairy beverages to be labeled as milk. I think this is important for people to see there are other non-animal alternatives to milk.

In addition, I urge the FDA to ban the use of genetically-engineered bovine growth hormone. I support the petition which has been filed to do this, Docket No. 99P-4613.

Very truly yours,

PAUL W. REBEIN
