RE: Docket No. OOP-1211/CP1 and Docket No. 99N-4282.

Dear Ms. Henney,

I'm writing to let you know my opinion as a consumer. I'm concerned about genetically engineered food, and ideally, I would rather not see any GE food at all. At the very least, I hope the FDA will change its policy and require GE labeling and testing.

Sincerely,

Laurie Simpson
