Dear Madam/Sir:

I am writing to express my strong conviction that there must be Federal labeling of products that are made from cows treated with rBGH.

None of us can be better off ingesting foods which contain hormones given to cows. It's the FDA's responsibility to make certain, at the very

least, that people are aware of what they are eating, along with their food.

I appreciate your attention to this critically important issue.

Sincerely,

W. Katherine Hoak
