Docket #00P-1211/CP1  
FDA Dockets Management Branch (HPA-305)  
5630 Fishers Lane  
Rockville, MD 20852

Dear Commissioner Henney,

I am in total support of Docket #00P-1211/CP1 filed by the Organic Consumers Association, the Center for Food Safety and 50 other groups to take all genetically engineered foods and crops off the market and to subject them to rigorous and independent safety testing.

Sincerely,

*Shawn Lampron*
