RE: Docket # 98P-0151/CP1

Dear Sirs:

I am writing to urge you to support the petition to prohibit the slaughter of downed animals. This is appalling not only for the humans consuming this, but also for all the poor animals we "humans" put in this condition. Hopefully with caring people's consistent letter writing and lobbying of animal rights organizations the farm animals will also have a voice against their atrocity.

Thank you,

Doreen Dickison
